

Ode to JoAnn Burl

*You are an amazing sight
A true heart's delight
Never uttering any slight
You are always in the right*

*Advocate for those in need
A true friend indeed
When you see kids in trouble, your heart does bleed
Which is why you are always in the lead.*

*While pretenders
And defenders
Abound
You ever so politely hound*

*The politicians and advocates one and all...
For you so proudly stand tall
Hearing the call---
You must help them all.*

*JoAnn Burl- a pillar above the rest
Your efforts provide a nest
To showcase all that is best
In our community's abundant talent chest*

*Dedicated to right
Advocating with all your might
Such a bright source of pure shining light
You certainly are a community delight*

*It is an honor knowing someone so true
ACT-SO is only possible with Pat Price and you
Keep up the amazing work my friend
'Cause I will be with you 'till the end.*

With greatest admiration, your friend. - Paul Geller
